

He's a Dick-Tater.  
Ain't he slick?  
Big orange head  
and a mushroom dick.

Better hide yer daughter —  
He might nab 'er!  
He's our President  
Pussy Grabber!

Have you smelled an old 'Tater  
that's going rotten?  
It's quite the stench!  
Can't be forgotten.

You know you can't boil it,  
or bake it, or mash it.  
Got to take it out to the alley  
and trash it!

That's what'll happen  
with an old Dick-Tater.  
You'll have to throw him out —  
sooner or later.
