

Orangy, Porny #2

Orangy, Porny, what a guy!
Grabbed some pussy, told a lie,
Or two, or three, or five, or ten –
Make America Hate Again!

Orangy! Send a tweet my way,
I need to know who to hate today:
Latinos, Muslims, blacks, Jews,
CNN, or just "fake news".

Orangy – no exoneration –
You're a disgrace to the nation.
Some folks think you were heaven-sent
To be our glorious President.

But Orangy, Porny, you're a hater.
We all know, that sooner or later
You'll go to jail, in disgrace.
Abandoned, even by your base.

You'll end up in a cell, alone,
Without a TV, or a phone.
You won't be able to stay up late,
To tweet out lies, and stir up hate.

Orangy, Porny, what a guy!
Grabbed some pussy, told a lie,
Or two, or three, or five, or ten –
Make America Hate Again!
